Objective of the Course

Course Objective is to provide basic knowledge in using the ICT Tools for enhanced and efficient teaching. Now a days everything is coming up in digitalized way and to cope up with the new scenario of digital world teachers from any domain(Science/Arts/Commerce) should use ICT Tools in their day to day teaching practices for greater interest of the students.

The main objective of this promotional course is to give free learning of basic ICT Tools(Computer, Specific Software's, Printer/Scanner, Projector, Smart Board etc.) for proficient delivery of the talks, efficient sharing of the class materials which boosts the interest of a student to attend the classes.

Assignments & Project

1. Assignments will be of the following type:
 - MCQ based questionnaire.
 - Programming Assignments (Problem statement will be provided.)
2. At the end of the course "Project" will be assigned to the participants which will be based on the Practical Case Studies.
